Any false statement you make, that you do not believe to be true, may subject you to criminal punishment as a Class A Misdemeanor. I give this statement of my own free will. No promises, threats or coercion of any kind have been made to me by any Provo City Police Officer.

I was recommended to this treatment facility by my licensed therapist. I went there of my own free will & took the treatment willingly. I had a severely bad reaction to the treatment & became scared & hysterical - we called my emergency contact, he came, I called ~~the~~ my parents & we called the police because I was so scared & hysterical. The ambulance came & took me to the hospital to give me something to calm down & I was driven home by my ex husband & sister.
